# Highwaykick 1 Push and Go

<b>Agegroup</b>	1-5 years
<b>Bodyheight</b>	82-118cm / 32,3-46,5"
<b>Maximum Load</b>	50kgs / 110lbs on deck 20kgs / 44lbs on seat
<b>Seat Height adjustment</b>	22,5-29cm / 8,9-11,4" (3 positions)
<b>Handlebar adjustment</b>	57-64cm / 22,4-25,2" (3 positions)
<b>Wheels</b>	2*120mm / 4,7" PU front 80mm / 3,2" PU rear
<b>Materials</b>	100% safe plastics, PVC-free
<b>Standards</b>	CE, EN71, ASTM F963, KC, GMark
<b>Weight</b>	3,5 kgs / 7,7lbs incl. parent pushbar
<b>Special features</b>	2in1 scoot and ride-on mode with removable parent pushbar and footrests steering lock, safety pad

Discover all  
4 colors on  
page 60.

Support your kids  
when they need a  
little „push“ into the  
world of mobility.

## Ride-On Mode

Ideal for toddlers: sit down, rest your feet on the footrests, and enjoy a smooth ride with the help of the parent pushbar.

## Standing Mode

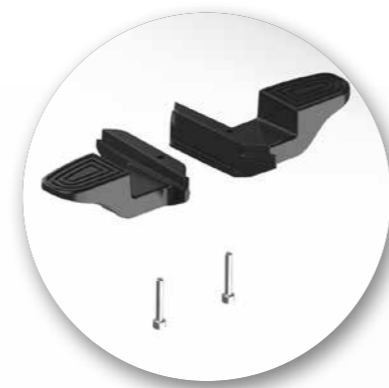

For growing riders: stand up and scoot with confidence – still supported by the pushbar for guided adventures.

## 2in1 mode with parent pushbar

From cozy seated rides to standing adventures – one scooter that grows with your child’s confidence.  
No tools required. Two products in one.

## height adjustable and removable

I am 3 times height adjustable 82 - 87 - 92 cm (32,3 - 34,3 - 36,2") and fully removable. 1 click.  
No tools required. The footrests are easy to remove/attach.

<b>Weight</b>	2,8kgs / 6,2lbs with lightweight bottom deck
<b>Special features</b>	2in1 scoot and ride-on mode height adjustable seat and handle steering lock safety pad

Discover all 9 colors on page 61.

I'm a 2in1  
Perfect for little riders  
ready to explore  
on their own.

## Ride-On Mode

Hop on, push off with your feet, and enjoy the freedom of independent riding—fun, active, and all on your own.

## Kickboard

Hold on tight, kick off, and steer your way through every adventure – boosting balance, coordination, and fun with every ride.

## 2in1 mode

Starting seated, moving boldly – this scooter keeps up with every stage.  
No tools. Just two ways to ride, in one clever design.

## safety pad

To minimize possibilities of tipping over. Have a save ride .

# Highwaykick 3S

**Agegroup** 3-6 years  
**Bodyheight** 96-130cm / 37,8-51,2"  
**Maximum Load** 50kgs / 110lbs  
**LED Wheels** LED Wheels 2\*120mm / 4,7" PU front  
 80mm / 3,2" PU rear  
**Materials** aluminum, 100% safe plastics, PVC-free  
**Standards** CE, EN71, ASTM F963  
**Weight** 2,63kgs / 5,8lbs  
**Special features** 2in1 intuitive steering / lean-to-steer + turn-to-steer  
 foldable and height adjustable handlebar  
 TPR overmolded anti-slip deck

Discover all 4 colors on page 62.

## Two ways to steer, one smooth ride.

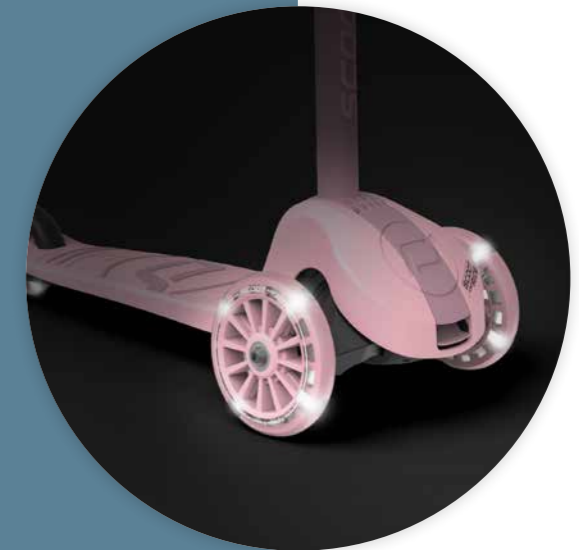

### Lean-to-steer + Turn-to-steer

This intuitive steering system helps kids develop balance and coordination – making every ride smooth, stable, and seriously fun.

### LED wheels, no batteries needed

Watch the wheels sparkle as you scoot! No batteries needed – just motion makes the magic happen.

## 2in1 intuitive steering

Shift your weight for a smooth, flowing ride – just lean and glide.  
Or steer the handlebar left or right for classic, intuitive control.

However you ride, the scooter responds naturally to your movement.

## folding mechanism

Fold, carry, go!  
The scooter folds down in seconds – perfect for easy storage, travel, or life on the move.

M-L

## Click. Safe. Simple.

The magnetic buckle closes easily and securely – no pinching, no fuss. Even kids can fasten it themselves with one hand.

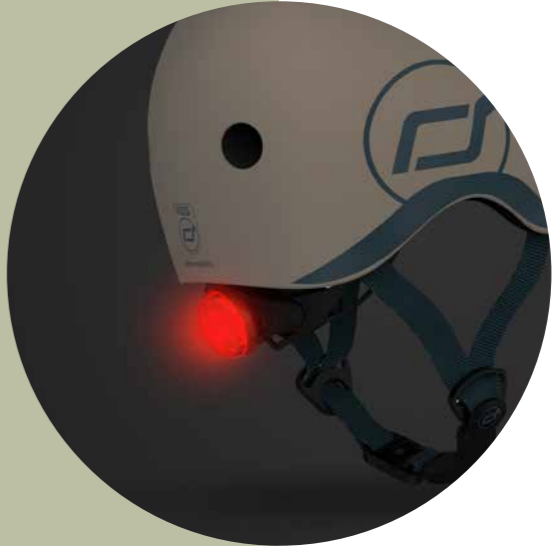

## Three sizes. Two headforms.

Choose from European or Asian fit to match your head shape, and find the ideal size. Comfort, safety, and style – made to fit.

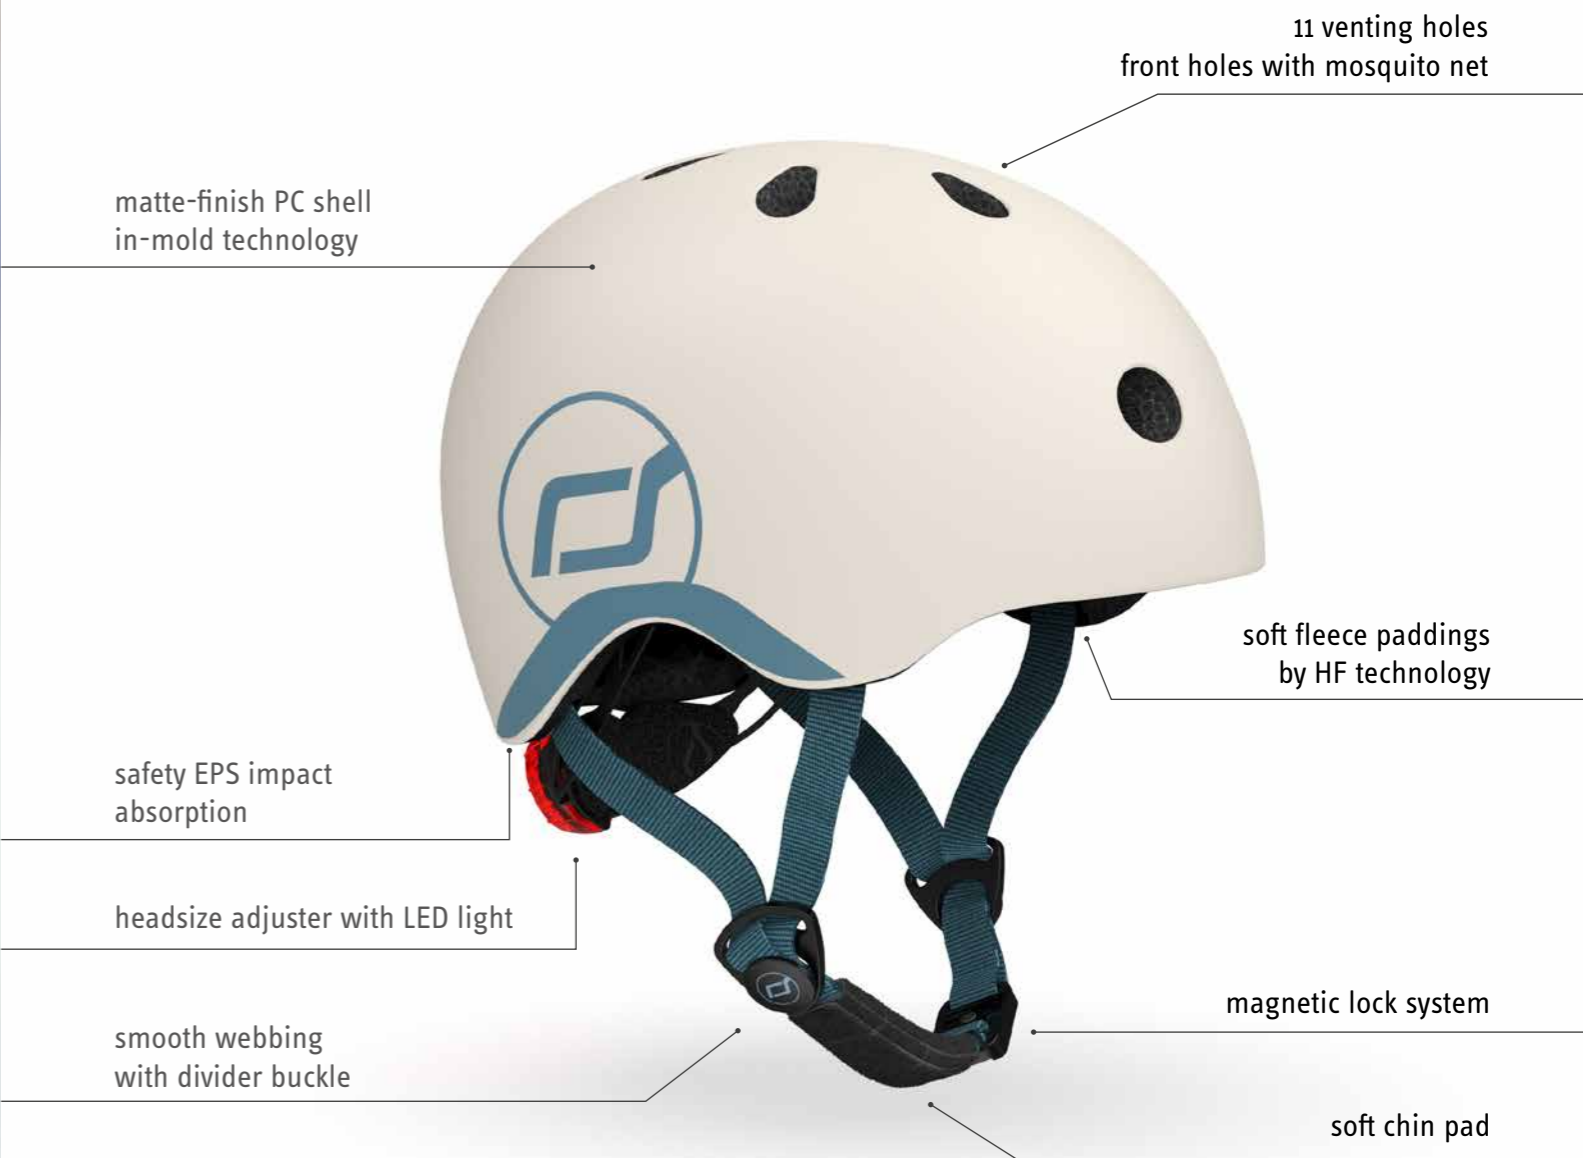

## Ready to shine

The built-in LED light provides extra visibility in low-light conditions, helping your child to stay safe and to be seen on every ride, day or night.

# Keep it longer. Waste less.

Every long-lasting product means less waste, fewer resources, and more care for what comes next.

# What we stand for - what drives us

We are convinced that a product with a long service life causes the least damage to the environment. In this way, we can guarantee an extended life cycle.

built to last

sustainable materials  
for packaging

no polybags

**We reduce packaging, avoid plastic bags, and use sustainably sourced and recycled paper wherever possible. These are small but meaningful steps within our broader ESG commitment.**

### Environmental

We care about how things are made – that means keeping a close eye on energy consumption, materials, emissions, and waste. For us, sustainability is not just a word – it's embedded in every production decision we make.

### Social

Fair working conditions and respect for human rights are non-negotiable. We work with partners who share those values – and check in regularly to make sure they're upheld.

### Governance

We believe in doing business the right way: with transparency, clear standards, and accountability at every step. This approach ensures we act with integrity and maintain strong, lasting relationships.
